Garden Wildlife Competition

EXAMPLE ENTRY FORM

Brief description of item you have in your garden to encourage wildlife.	Wildlife you have seen benefitting from this.
A ceramic poppy dish on a stick filled with marbles and water for insects to drink from.	Bees, wasps, dragonflies.
A small patch of wild grass that we do not mow.	Frogs and toads (even though we do not have a pond).
A compost bin.	Worms, beetles, woodlice.
A bird box.	Nothing so far.
A hedgehog box under a bush, some hedgehog food and a dish of water.	2 adult hedgehogs.
