

Village Events 2023

Following the success of the Picnic in the Parc in 2022, an event for 2023 is being considered. Are you able to volunteer to join the planning team for this event?

Without help from the community, it may not be possible to hold a whole village celebration. Please let a councillor or the clerk know if you are able to join the team and help in the planning of an event for 2023.

THANK YOU

Nicola
